GREEN WINGS

World Environment Day is celebrated every year on 5th June globally. It is essential to advocate for a greener environment and conservation of nature. We cannot be so selfish and use up all the resources for ourselves. World Environment Day is the perfect opportunity to make people aware of the issues we are facing and how one can contribute to save it. To promote the World Environment Day, we, the Good Shepherdians are here with some initiatives.

GRADE	ACTIVITIES
